“They sound just like the real thing. Amazing harmonies, funny and entertaining. They have everybody up on the floor rocking and rolling...”

The **Sensational Sounds**

have compiled a collection of popular tributes over the years and can now offer more tributes of variety entertainment all in one night. You can make your own tribute by choosing any four acts that suit your occasion. Each tribute goes for approximately 30 minutes. Our singer/MC will keep the audience busy while we change for the next tribute. **Sensational Sounds** can provide their own production to assure quality sound and light show.

“A fun time of variety and entertainment all in one night...”
